# THE GAFFER

*Rob Dray*

Good evening and welcome to the Cygnet Healthcare Stadium for the return of league football to Taunton as we welcome Robbie Herrera and his Dorchester Town team.

It has been far too long without fans at games and it has been fantastic so far to see as many turn up for the pre-season fixtures and I am sure there will be another good crowd in again today.

We began our league campaign on Saturday with a trip to Dorset and Wimborne Town, and after falling behind relatively early on we re-grouped well and deserved our half-time lead. We continued our dominance in the 2nd half and thoroughly deserved our 4-1 win and the 3 points, not to be too critical but it I think it could have been 6 or 7.

Tonight we expect a very tough game from Dorchester Town who will be looking to pick up their first points of the season following a 2-1 loss at home to Beaconsfield Town on Saturday.

Please enjoy the game and get behind the boys in claret & blue.

# THE AWAY END

## *Dorchester Town*

Founded in 1880, Dorchester Town were Dorset Senior Cup finalists in 1888 and 1890 before joining the Dorset League in 1896. Despite being founder members of the league, the club had little success before winning the championship in 1937/38 with a 2-0 victory at Sherborne on 25 April 1938.

6

The club joined the Western League in 1947, winning promotion from Division Two in 1950, and going on to take the league championship in 1954/55. The fifties proved to be a successful decade for the Magpies, winning the Dorset Senior Cup for the first time, and having a number of good runs in the FA Cup facing the likes of Norwich City, Queens Park Rangers, Port Vale and Plymouth Argyle.

Following four more victories in the Dorset Senior Cup, the club entered the Southern League (Division One South) in 1972. They first tasted success in this division when they finished runners-up to Margate in 1977/78, going unbeaten in the final 16 matches of the season, with manager David Best utilising his links with old club AFC Bournemouth to attract former first-teamers such as John O'Rourke, Jack Howarth and Harry Redknapp to the Avenue.

The formation of the Alliance League unfortunately meant the Magpies ended up back in the reformed Southern Division a year later, but the club celebrated its centenary by winning the Southern Division in 1979/80 by a one-point margin over Aylesbury. Stuart Bell succeeded David Best as manager during the season, and the Magpies went unbeaten in the last 14 games to clinch the title. A young Trevor Senior impressed alongside ever-present top scorer Paul Thorne, whilst Graham Roberts joined neighbours Weymouth early in the campaign for £6,000 before

going on to star for Tottenham Hotspur and England.

Senior stayed with Dorchester for a further two seasons, before signing for Portsmouth during the 1981/82 season for £35,000. Before leaving the Magpies, Senior helped the club reach the 2nd Round of the FA Cup again before losing out to AFC Bournemouth in a replay at Dean Court. A goal four minutes from the end of extra time was enough to end Dorchester's dreams of a place in the third round - a feat they have still yet to achieve.

Relegated at the end of the 1983/84 season, a remarkable turnaround followed, and Dorchester returned to the Premier Division as champions at the end of the 1986/87 season, taking the title following a goalless draw at runners-up Ashford on the final day of the season.

The return to the top Southern Division was a rollercoaster of emotions for Dorchester fans. Having been a mid-table team for a number of years, a brush with relegation came at the start of the nineties, and Stuart Morgan was introduced as manager in 1993. In his first full season, Morgan took the club to sixth in the league, followed by the sale of Darren Garner to Rotherham United for £30,000 during the summer.

The following seasons were a mixture of highs-and-lows, flirting with relegation on

7

a number of occasions, facing Oxford United in the 1st Round of the FA Cup, reaching the last 16 of the FA Trophy for only the second time, and finishing fourth in the Premier Division in 1997/98.

Unfortunately, in the following seasons, the Magpies were unable to rekindle the same form, and following a number of close-shaves at the wrong end of the table, the club were relegated to the Eastern Division at the end of the 2000/01 season, despite a strong FA Cup run culminating in a 3-1 First Round defeat at Wigan Athletic's 25,000 all-seater JJB Stadium.

Under the guidance of manager Mark Morris, Dorchester's young squad regained their Premier Division status within two years, defeating King's Lynn on the final day of the 2002/03 season to take the Eastern Division title ahead of Eastbourne Borough, scoring 114 goals in their 42 league games.

The first season back in the Premier Division was a difficult one but the club succeeded to reach the end-of-season play-offs, where victories over Bath City and Tiverton Town saw Dorchester become a Conference club for the first time in the newly formed Conference South division.

A mid-table finish the following year ended with the resignation of Mark Morris – arguably the club's most successful manager in recent history – with Mick Jenkins taking charge of the first team. His reign, however, was short-lived. Despite the club's tenth success in the Dorset Senior Cup, the team narrowly avoided relegation by finishing 17th in the league, and Jenkins was sacked just a month later in the wake of Eddie Mitchell taking over the ownership of the club.

Mitchell's arrival at the helm saw former Dorchester midfielder Shaun Brooks installed as Director of Football, and the club announced it would be making the step up to full-time football ready for the 2007/08 season. The Magpies maintained Conference South football until the 2013/14 season, when relegation to the Southern League occurred, where they have remained to this day.

The club became a Community Benefit Society (CBS) in the summer of 2015. Since then, a 3G pitch has been laid at The Avenue Stadium, which has become a hub of activity and the home of sport in the town.

The Peacocks made a great start to their Southern League campaign with a conclusive 4-1 victory at Wimborne Town this afternoon.

The hosts actually took the lead on 22 minutes when Lewis Beale scored into an empty net after Lloyd Irish had crashed into another Wimborne player trying to clear. The Peacocks though drew level on 39 minutes when Jared Lewington headed in at the back post from Jay Foulston's corner. The game then swung Town's way when Toby Holmes was pulled down inside the box well into first half stoppage time and the former Magpies striker despatched the penalty with ease. The Peacocks dominated the second half, having numerous opportunities before

Lewington made it 3-1 on 68 minutes when he steered home Joe Guest's cross but unfortunately was injured doing so and had to be substituted. Debutant Jack Veale then made the points safe four minutes later, slotting a shot past Billy Terrell. The visitors could have added more as they eased to victory and now look forward to their first home game of the League season.

# THE NON-LEAGUE PAPER

C O L U M N

The NLP office has been an odd place to be on a Saturday night these past 18 or so months.

Usually, between about 4.45pm and 9.30pm, it's a hive of activity – and a little stress – as results, reports and pictures roll in from across the country.

From Workington to Ramsgate and everywhere in between, the spread of the National League System never ceases to amaze.

And that's what makes it such an undertaking to coordinate and squeeze as much into our pages as we possibly can in time for the print deadline before the lorries deliver to paper to all those towns by sunrise.

There will be times in the coming weeks where I will, tongue in cheek, regret saying this, but we've missed that feeling of a looming deadline.

It's great to have it back. As you (hopefully) know, the paper has still been out every week since Covid interrupted our lives back in early 2020.

We've had some football since then, with the National League's top division playing all the way through, plus the FA Cup and some others, which has kept us busy – the only shame being the fact the majority of games were played out in front of empty stadiums.

But since March 2020 when everything first shutdown, there has been just five or six weeks where everyone from Steps 1-6

were playing. And even then, we were wrestling with late Covid call-offs, meaning late page redraws and rejigs. At least you can play for bad weather!

Thankfully, because Non-League is the beast it is, we haven't struggled to fill the pages in the absence of the games. There are always talking points, people willing to pick up the phone for a chat, good work being put in by clubs – and, of course, managerial appointments and departures!

But it's so good to have football to talk about again. Steps 5 and 6 are underway, the FA Cup kicked off last weekend and now it's the turn of Steps 2, 3 and 4 – complete with the new Northern Premier League Division One Midlands.

It's not the only part of Non-League football that will no doubt look a little different. Let's hope there is greater appreciation of our local clubs and attendances boom. The start of the 2020-21 was being enjoyed by many before it came screeching to a halt again at the end of October, largely staying dormant bar a few games until now.

Non-League football clubs have shown their resilience through this pandemic, and highlighted the good work so many volunteers and committee members put in to keep theirs going.

That feeling of a match day is back again. And that feeling on a Saturday night as the clock ticks down. We can't wait! Enjoy the season.
