# THE GAFFER

*Rob Dray*

Good afternoon to all in attendance today, it feels like an age since we last played in front of our own fans here at the Cygnet.

Since we were last here, a 2-1 win against Truro City, we have disappointingly been knocked out of this years FA Cup and our league form has been a little indifferent with a loss against Farnborough and then conceding a late equaliser against Poole Town after we dominated the early going in that particular game. Hopefully we can turn that form around in the league starting today against our opponents Walton Casuals.

I would like to welcome Anthony Gale and his team, along with the management, board and fans who have made the journey today. I hope everyone enjoys the game today and wish you all a very safe journey home.

Loud and behind the boys for 90 minutes today please!

Up The Peacocks!

# THE AWAY END

## Walton Casuals

World War two officially ended in September 1945 and the United Kingdom's newly elected labour government's top priority was to get all the people that had been conscripted, together with those that had enlisted on duration of emergency engagement into the armed forces and also those that had been called up to work full-time in the war emergency services, back into civilian life as quickly as possible. Unfortunately this demobilisation exercise was to take two years or more to complete but gradually over this period of time these people returned to their home towns and villages.

Our narrative starts on the council housing estate in Walton-on-Thames comprising Selwyn Green, Selwyn Road, Rodney Road, Cromwell Road and the top end of Ambleside Avenue which saw the gradual arrival home of these demobbed lads now called ex- service men. As their numbers increased they resumed their pre-war leisure activity of the football kick about on Selwyn Green. Looking for competitive football they decided to form a team to play then illegal Sunday football as the Football Association was not to recognise and authorise Sunday football until the 1960's. They decided to call this team White City F.C. as the outside walls of the houses on their estate were coloured white and for the next two seasons 1946-47 & 1947-48 played friendly matches against other illegal Sunday teams in the Walton, Hersham, Weybridge, and Shepperton area.

These White City lads used the Builders Arms, renamed the Wellington public house on the corner of New Zealand Avenue and the High Street as their local and in many discussions over a pint they decided they wanted competitive football. They wanted to become a legal Saturday club and play in league and cup competitions.

The inaugural meeting was held in the restaurant in the Builders Arms in July 1948 and the chairman of the meeting was Mr E.F. (TED) Johnson. The members present unanimously agreed they become a Saturday club but wished to continue with the name White City F.C. It was pointed out that the Surrey County F.A. were very strict on club names and also White City did not define the district where the club played, as it was a sports stadium in West London built in 1908 to host the Olympic Games. Further names were suggested and finally the name Walton Casuals Football Club was wholeheartedly agreed by the members present and our home ground would be Elm Grove.

The Casuals first season in competitive football was in the Surrey Intermediate Central Division and the club's first game was against Watney's Sports Reserves, which they won 5-4. We finished in 9<sup>th</sup> place out of 11 teams though the team did reach a cup final played on Kingstonians old Richmond Road ground in which we lost 3-1 to Surbiton Town Res.

The Casuals remained in the Surrey Intermediate leagues up till 1969 and had reasonable success gaining promotion to the Premier Division in 52-53 season and finishing runners up on three occasions 54-55, 56-57, 64-65. Several club records still stand from those days, Ray Johnson's 7 goals in a game against West Byfleet Res in our 11-2 victory in February 1953, and the 1<sup>st</sup> team's highest score of 12-0 in

1953, this was later to be equalled in the Suburban in 1987. Several players also represented the league side, the most notable being the late life vice-president Terry Woodyatt, also life vice-president Neil Virgo won the linesman's cup. In 1969 the Casuals joined the new Surrey Senior league and moved to their new home at Franklyn Road, just two years later the Casuals became founder members of the newly formed Suburban football league and stayed to the end of the 91-92 season, being the only first team to play in the competition as it was for most senior clubs reserve teams. Our first season in the newly formed league saw us play our home games at Walton & Hersham ground at Stompond Lane, then into Liberty Lane, home of Addlestone F.C., for eight seasons then returning to Franklyn Road where the res team had remained. Our first major honour came in the 1982-83 season as manager Kim Harris guided the club to the Suburban Southern section championship while also setting a league record of an impressive 23 games unbeaten. Casuals could only manage a second place finish the following year to Sutton Utd.

The 1986-87 season produced another impressive display as the Stags reached the Surrey Premier Cup Final losing to a strong Croydon side in the final at Dorking.

After 23 years in the Suburban league the club decided to leave and join the English pyramid system and were elected members of the Surrey Senior League. After a year of consolidation major changes took place on and off the field at Franklyn Road. We became sole tenants of the sports ground and the ground became enclosed. Kim Harris returned as manager and the club expanded into Sunday and youth team football.

The club saw great success in the following years lifting the Surrey Premier league cup during the 93-94 season, defeating Holmesdale 2-0 after a replay. The following year the club finished runners up to Chobham in the league and lost to Vandyke in the Premier cup final. While competing for the league and cup double major work was going on at the ground, hard standing round the pitch, covered stand for spectators and re designing of the dressing rooms plus boardroom. All requirements for us to be promoted to the Combined Counties League and become a Senior club.

Senior football proved tough for the Casuals and the early years in the league we were regularly in the bottom half, finishing bottom in 1996-97. Fortunately relegation

was avoided as the Combined Counties League exercised its prerogative to maintain a minimum number of clubs in the premier division. In February 1999 flood lights were installed at the club with the financial help from local charities, a major step for us to maintain our progress up the league pyramid system. They were duly opened when a Brighton and Hove Albion team visited us later that year.

The appointment of Mick Sullivan and Garry Clarke as joint managers in the summer of 1999 brought a dramatic improvement in terms of results. As well as a 5<sup>th</sup> place finishing the league the club won the league cup in 2000 beating Viking Greenford in the final 4-2 at Farnborough. The following season was reasonably successful finishing 7<sup>th</sup> and losing in the league cup final to double winners Cove. Although 2002-03 proved to be disappointing with the club finishing a lowly 18<sup>th</sup> spot the seeds of success had been sown with Spencer Collins taking over as manager in November 2002. As a team capable of much better, things slowly began to take shape. 2003-04 also saw Mr Tony Gale, ex-premier footballer and Sky football pundit, become director of football at the club. Off the pitch the club was not standing still, fortunately with the newly formed A.F.C. Wimbledon in our league and large crowds wherever they went following them, there was big money to be made on our home games against them. We played them three times at home and gate receipts from those three games were around the £30000 mark and all the proceeds were spent on developing the ground. Further covered standing behind both goals including covered seating for 150 spectators were added, plus general work to the club house, all being ready for what we hoped would be our next step up the pyramid. 2004-2005 proved to be our greatest season to date, not only did we take the league by storm finishing 23 points clear at the top of the table but after initially failing an F.A. ground inspection the club launched a successful appeal and achieved the dream of promotion to the Ryman League Division one for season 2005-2006.

The 11 years we have now been in the Ryman league have been tough, only finishing in the top half on one occasion and we have had very little success in the F.A. Cup competitions but the future looks very bright for the Casuals. All being well the new sports hub at Waterside Drive should be ready for season 2007-2018. The sports hub will have two full size 3g pitches plus an 8 lane running track with a new spectator stand with all modern facilities plus up to 8 junior pitches for our junior section which has 35 plus teams and the first team has the strongest manager and back room staff since we joined the Ryman.

1EMIRATES FA CUP 2<sup>nd</sup> QUALIFYING ROUND - SATURDAY 18<sup>th</sup> SEPTEMBER 2021

VENUE: THE OPTIMA STADIUM - ATTENDANCE: 706

An uninspiring performance from the Peacocks led to their FA Cup downfall after they were dismissed from the competition by their Southern League rivals. Holding a 3-0 lead at the break the tie was settled in the home side's favour minutes into the second half when they added a fourth and although Gethyn Hill got Town on the scoreboard just past the hour mark, a miraculous comeback never appeared likely, and the Seagulls rounded off their comfortable passage with a final goal close to the end.

Town's fifth successive away match saw changes made after the midweek game at Poole, with Lee Lucas, loan Richards and the unavailable Khari Allen replaced by Ben Adelsbury, Jack

Goodall, and Ross Staley. And the early exchanges gave no hint of the calamity to follow as the visitors made a brisk start, Joe Guest heading forward to Ollie Chamberlain who yanked a volley wide of the target while Hill had an effort blocked.

It was Weston though who grabbed the lead after 12 minutes with their first chance. Will Buse blocked Scott Laird's driven cross at his near post to concede a corner and when Dayle Grubb's delivery was only partially cleared to Lloyd Humphries, he set up Will Turner to launch a ball back into the box where Laird's well-executed hooked volley found the far corner of the net. Grubb had a shot blocked soon after before the Peacocks responded

when Guest won the ball, allowing Toby Holmes to turn and fire narrowly over the bar from the edge of the box.

However Weston were quick to strengthen their grip on the tie with a second goal on 19 minutes. And it was another set piece that caused the damage, Bastin's corner from the right being glanced home at the near post by Laird for his second goal of the game. A break from Chamberlain forced Turner to hammer a clearance over his own crossbar with Hill waiting before the Seagulls all but settled the outcome with a third goal on 29 minutes. And yet again it was a corner, this time Bastin crossing low to the near post where Humphries' volley was adjudged to have crossed the line after taking deflections off Buse and the post, despite protests from the Town players. Photographic evidence confirms the claims are valid as the ball did not cross the line but in the absence of VAR.....

There was little to enthuse the travelling support up to the break, Town still not convincing at the back against the Weston front line while struggling to create much going forward, Zac Smith's free kick winning a corner which Sullivan sent straight out, summing up a lacklustre first 45 minutes for the Peacocks. Unfortunately, the outlook failed to improve in the second half.

Grubb drilled a centre across the face of goal before he notched the fourth goal of the afternoon on 48 minutes, Jay Murray getting free on the right to beat the defender and tee him up to fire home from 15 yards for an all too easy finish.

The Peacocks at least created some chances after the break, being presented with a wonderful opportunity to reduce the arrears when Goodall's ball over the top found Holmes who rounded Weston's debutant keeper Kie Plumley and rolled the ball towards the open net, only to be denied by Sam Avery's last-ditch clearance. A similar scenario occurred at the other end when Bastin capitalised on a mistake to get past Buse but couldn't find the target from a tight angle.

Town did pull a goal back after 62 minutes when Sullivan latched onto Hill's flick but was adjudged to have been fouled by Turner. Hill stepped up to rifle home the penalty and score for his sixth consecutive game. The best move of the match for the Peacocks nearly yielded dividends soon after, Sullivan's dummy from Smith's pass releasing Holmes on the right but Plumley kept the shot out with his legs.

Buse parried James Dodd's angled strike as the hosts continued to be the

more incisive side, Town wasting another opening when Holmes beat his man on the left and crossed into Sullivan who fired well over the top from six yards. Goodall's header from a Staley corner was also blocked as the match went through the motions until its conclusion. Adelsbury cut out a run from Turner as the Weston defender threatened to run through the entire defence before Weston rubbed further

defence before Weston rubbed further sea salt into the wound with a fifth goal on 88 minutes, Grubb in space down the right playing a square pass to Humphries whose first time strike from 18 yards beat Buse to find the net. Sullivan volleyed over and Lucas Vowles' shot was parried by Buse during four minutes of stoppage time which thankfully seemed much shorter.

# THE NON-LEAGUE PAPER

## C O L U M N

It's funny how things fall into place sometimes. As much as we plan The NLP's pages each week, occasionally you stumble into the perfect storm.

Take last week's paper, where three of our FA Cup previews worked perfectly in tandem with a family theme.

In many ways, it shouldn't be a surprise. Non-League football in particular has always had the family feel. In this weekend's FA Cup, that's no different.

But these feel-good stories only served two underline just how many strong links run through the game.

First stop is Nuneaton Borough, where dad and son are making waves in the FA Cup.

Carl Baker has had a fine career that took him from Non-League with Prescot Cables and Southport to the Football League where he won promotions with MK Dons and Portsmouth, after spending five seasons with Coventry City.

At 38 he may be on the back nine of his career, but he's still going strong – although son Louis is now grabbing the headlines too.

There can't have been a much better feeling for Carl to be on the same pitch as his 20-year-old son, and Boro team-mate, when he scored an excellent goal against Lichfield City.

"I probably celebrated his goal more than I've ever celebrated any of my own," he

said. "The stats on my GPS probably showed I ran quicker than at any other time in the game as I went to jump on his back. It was a fantastic feeling.

"We were leading 1-0 at the time with about five minutes to go. As he's striding up the pitch I'm on the opposite side thinking he should just go and hold it up in the corner.

"I could see what he was going to do so when he cut in and scored it was probably the best feeling I've ever had on a football pitch – you can see that from my reaction."

There will be a slightly different feel at Brackley Town's game with Coalville Town where Dean twins Gaz and Alex play each other in a competitive game for the first time.

At 31, they've had to wait for the chance – although mum Gill isn't thrilled about the showdown!

"Mum's not happy," Brackley defender Gaz told us. "I got a text saying, 'Be nice to your brother'. She says it's her worst nightmare come true because she's going to have one disappointed twin.

"But it's probably my dad's dream to see us go toe-to-toe with each other – it's opposite ends of the spectrum between the two parents, I think."

Alex added: "When we were little we were terrible – we used to fight all the time over any sport in the garden.
