# THE GAFFER

*Rob Dray*

Good evening everyone and welcome back to the Cygnet Healthcare Stadium, for the first time in a while as we welcome Truro City for the 2nd Round tie in this seasons League Challenge Cup.

Apart from the slip up in our last league outing the form in the league has been very good of late and we are just outside the play-off places, but we do have some games in hand where we can play catch up, so we are in a good position at present and we feel those that have started the season exceptionally well (Hayes & Yeading and Farnborough) will have a sticky patch somewhere along the way and we have to be ready to capitalise.

Our last match saw our involvement in the FA Trophy for another season come to an end with defeat to Weston-super-Mare. Our focus now is firmly on the league and looking to push for promotion and seeing how far we can go in the League Cup.

Up The Peacocks!

## Truro City

Early days - Truro City Football Club was established in 1889, becoming a funder member of the CCFA, which came into being at a meeting at the Royal Hotel in Truro on 18th September of that year.

Other Clubs present at that meeting were Porthcurno, Penzance, Probus School, Liskeard, Dunheved School, Torpoint and Millbrook. Truro City's first recorded match was played at Truro College against Penzance on 4th October 1889, which they won 7 -1. Further games were played at Tolgarrick, adjacent to the existing Treyew Road ground and the club has also played at Kenwyn and Chapel Hill. A 5-0 victory over Launceston in 1895 brought the club's first trophy, the Cornwall Senior Cup, which Truro City has now won 15 times.

The club initially participated in the Plymouth & District League. In 1931 they achieved one of the finest run of results in club history, playing nine games in 15 days, winning eight and drawing one. However, the club left the league that same year, along with several other Cornish Clubs, after a dispute over payment of Devon Clubs' travelling expenses.

City joined the newly formed Cornwall Senior League, winning it in 1932 and 1933. However, disappointing gates in the new league saw City rejoining the Plymouth & District League in 1934 and won the title in 1937.

Departure from the Cornwall Senior League led to the club being barred from entering the Cornwall Senior Cup. The CCFA refused a proposal for the club's reserve team to enter the competition and City were only re-admitted 1938 (they won the Senior Cup in their first season back).

The club has also won the Durning Lawrence Charity Cup, which Truro City gave to the county, 11 times, the first in 1912 and the last in 1981.

The South Western and Combination League years - Truro City was one of the founder members of the South Western League, which was formed in 1951. However, the club did not meet with immediate success, having to seek re-election for the first two seasons. They have had to seek re-election twice more, in 1982 and 1983. Their first championship came in 1960/61 and they have been champions four times since: 1969/70, 1992/93, 1995/96 and 1997/98.

The South Western League Cup has come to Treyew Road on three occasions: 1959/60, 1966/67 and 1997/98. The League's Sporting Trophy was won in 1974/75 and 1988/89 and the Best Ground Trophy in 1995/96. City were forced to leave the South Western League at the end of the 1974/75 season as the Treyew Road ground had been part a road-widening scheme and it was 1978 before they were re-admitted.

The club won the Cornwall Combination League title in 1994/95, 1998/99, 2005/6 and 2007/8 and the Combination League Cup on nine occasions: 1968, 1978, 1987, 1988, 1999, 2000, 2001, 2005/6 and 2007/8. The Evelyn Cup has been won seven times: 1968, 1978, 1986, 1988, 1999, 2000 and 2005/06.

Promotion and a trip to Wembley - In late 2004, the club was acquired by a new owner and in 2005/06 the club ended the season as runners-up, winning promotion to the Toolstation Western League.

The 2006/07 season was the most successful in the Club's history: winning the Toolstation Western League First Division by a record margin at the first attempt, retaining the Cornwall Senior Cup and winning the FA Vase at the new Wembley Stadium with a 3-1 win over AFC Totton

The FA Vase campaign set two new benchmarks. It was the first time a club playing at Step 6 in the Football Pyramid had won the trophy and the final was watched by a record crowd of over 37,000.

Southern League - Success continued in 2007/08, as a 17 point winning margin in the Toolstation Western League Premier Division saw Truro become the first ever Cornish Club to win promotion to the Southern League football. As a bonus, the reserve side went through the season undefeated and were promoted to the South West Peninsula League. And the third team, consisting mainly of under 20s, won promotion to the first division of the Falmouth/Helston League.

In 2008/09, Truro were promoted to the Southern League Premier Division as Champions, in the process equalling the British record with four successive promotions. In 2009/10, the Club finished a very creditable 11th in the first year at this new level.

2010-11 was another momentous season. Vying with favourites Salisbury City for top league spot for most of the season, Truro were finally crowned Champions by four points after a fabulous 6-0 win away at Salisbury. Seven straight victories at the end of the season assured Blue Square Bet Conference South football for the first time. A new British record was set in the process as no senior club had previously won 5 promotions in 6 seasons.

Into the Conference - Season 2011/12 was a year of consolidation, with a 14th place finish in the club's first season of Conference football. Progress in 2012/13 was very difficult thanks to a 10-point deduction and a League transfer embargo as the club encountered financial problems. The club's very survival was in doubt until October 2012 and the last-minute intervention of two local businessmen. Truro were relegated at the end of the season, but lucky to be alive and kicking after recent

recent traumas.

The Club gained promotion to the newly re-named National League South in 2014/15 via the play offs. Two 1-0 victories, over Hungerford in the semi final and St Neots Town at Treyew Road, in the final saw the club return to the second tier of non-league football for the second time.

After a tentative start to the 2015-16 season, Truro gradually climbed the National League South table, surpassing all expectations to finish fourth in a play-off place. However, City came up against a well-drilled Maidstone United side in the play-off semi-final, losing 3-0 on aggregate over the two legs.

The club struggled in the lower reaches of the table in 2016/17 but there was an upturn in fortunes last season as the club reached the first-round proper of the FA Cup for the first time, where we were rewarded with a trip to Charlton Athletic.

We also found ourselves amongst the leading pack throughout the campaign before losing in the play-offs.

The eve of the 2018/19 season saw us move from our Treyew Road home to ground-share with Torquay United until the Stadium For Cornwall is ready.

In June 2019, the Club was sold to the Cornish Pirates, via a business transfer under an asset deal. This wiped the historical slate clean, heralding the start of an exciting new era.

The Cornish Pirates are a professional rugby team, who have played in the English Championship, the league below the Premiership, since 2002.

The Pirates engaged the highly experienced Alex Black as their football consultant to lead the acquisition and he remains in this role.

Colin Groves (NZ) and Rebecca Thomas, Directors of the Cornish Pirates along with cricket legend Jack Richards form the new Board. With club stalwart Deba Sidhu stepping up into the key role of Club Secretary.

2021-22 season Truro City Football Club has a ground share agreement with Plymouth Parkway.

3  
2BUILDBASE FA TROPHY, 3<sup>rd</sup> QUALIFYING ROUND - SATURDAY 30<sup>th</sup> OCTOBER 2021

VENUE: THE OPTIMA STADIUM - ATTENDANCE: 480

The Peacocks' second appearance of the season at the Optima Stadium produced the same unsatisfactory outcome as they were knocked out of another cup competition by their League rivals. In contrast to their previous visit when they were thumped in the FA Cup, at least on this occasion Town were fully in the tie, ahead at the interval before the home side restored parity. The Peacocks retook the lead despite being a man short after Gethyn Hill had been sent off, but the Seagulls turned the tables to edge through and claim the £2,450 prize money.

With Ollie Chamberlain and Ross Staley both absent through injury, Ben Adelsbury and recent signing Josh Thomas came into the starting line-up but with Halloween one day away, early activity focused on the scary decision-making by referee Craig Scriven who had brandished three yellow

cards in the first ten minutes, setting the tone for what was to follow. Initial exchanges were scrappy with neither side keeping any sustained possession, Town offering the first attempt when Hill found Dan Sullivan who shot over from outside the box.

A free kick from Lloyd Humphries hit the wall at the other end, however goalscoring opportunities remained elusive until Town grabbed the lead after 22 minutes, Sullivan's corner into the six yard box being met by Jake Wannell's header which found its way over the line past Weston's loan keeper Max Harris. The Seagulls first real chance arrived when Jordan Bastin whipped in a free kick to the near post, but James Dodd was unable to direct his header on target, then Nick McCootie fed Bastin whose dangerous cross was pushed away by Will Buse.

It was the Peacocks though who somehow were deprived of a second goal ten minutes before half time. Jay Foulston's corner was cleared and when he received the recycled ball from Sullivan, his cross to the far post was nodded down by Nick Grimes, only for the ball to become lodged in a group of players, Wannell's attempt being blocked, and Toby Holmes' effort kept out by the arm of Nathaniel Williams. Penalty appeals from the Town players were dismissed and Weston had escaped a bullet. The visitors maintained the pressure, Foulston's shot being deflected over for another corner from which Adelsbury saw a header blocked and a follow-up eventually gathered by Harris.

After the game was stopped to allow treatment for Zac Smith, his side resumed their quest with Hill playing Holmes through on the right, but his shot was wide of the far post. Buse then had to be awake to make sure the Peacocks retired for the interval with the advantage, McCootie connecting with Scott Laird's cross to force the Town keeper into a diving stop.

Smith was unfortunately not fit to return for the second half and Jack Veale came on to replace him. Only four minutes had elapsed though before the hosts drew level when a group of players challenged for Bastin's corner from the right, the ball diverting off Hill to find the corner of the net for an own goal although McCootie was initially credited.

Town pressed forward as they looked to bounce back from the rather soft equaliser. Holmes benefitted from a stray pass to

advance but couldn't get a clear strike at goal, then Thomas saw a shot deflect wide while Hill placed a header over the top from Sullivan's corner before the complexion of the game changed midway through the half when, following a break in play to allow treatment for Weston's Williams, Hill was shown a second yellow of the afternoon for dissent and Town were down to ten men.

Despite being a man short, the Peacocks went on to regain the lead on 69 minutes. After Holmes had seen his effort grabbed by Harris at the second attempt, a Sullivan corner found Wannell whose header was cleared off the line by Sam Avery, the rebound falling perfectly for Wannell to volley home for his brace. Frustratingly though the lead was short-lived. A Weston break three minutes later saw Dodd feed Laird on the left side of the box and his driven cross took a deflection off Taunton's Thomas and travel under the legs of Buse to bring the hosts level again.

The second equaliser gave the Seagulls that extra momentum, Bastin curling a shot wide after Jay Murray's corner had been cleared before Town had their last real opening of the tie when Thomas headed over from Foulston's free kick. The winning goal came on 83 minutes, Laird in acres of space down the left to make ground and drill a left-footer into the far corner from 20 yards past the despairing dive of Buse. The remainder of the game which included five minutes of stoppage time saw Weston comfortably maintain their lead with Town unable to conjure up any meaningful response.

# THE NON-LEAGUE PAPER

C O L U M N

You have to wonder what Hollywood actors Ryan Reynolds and Rob McElhenney really made of their first experience of Non-League football.

In case you hadn't heard, the actors who bought Wrexham turned up at Maidenhead United to see their first Red Dragons in the flesh last week.

For people who roll in some pretty high-profile and glamorous circles, walking in to be greeted with some heckling must have been an eye-opening experience. I doubt that happens on the red carpet.

The depth of the National League System on full show with more than 1,600 turning out on a dark night to watch 90 minutes of the Beautiful Game. Fantastic.

I imagine they returned home with an even greater sense of how vital all these clubs are to their communities, not to mention how much it means to the supporters of the club they now own.

Of course, as is the way with these things, their team lost 3-2 before conceding a late equaliser against Torquay United on Saturday to draw 1-1.

The documentary covering their take-over will be titled Welcome to Wrexham. Last week was also a Welcome to Football. Where it rarely goes to plan.

After Tuesday's defeat, Deadpool star Reynolds - a seriously successful businessman to boot - described his feelings on an instagram post.

"Football is a staggering, heartbreaking, gorgeous, tommy-gun of soul-deadening, evil and beauty and I'm never sleeping again ever, ever."

Whether you are interested in their takeover or are indifferent, we can probably all relate, in some form, to that summary.

Whoever you support, there must have been times when you think: Why do I do this? I know I have.

There are millions of people in this country who have no interest in this mad game. Who don't spend their Saturdays - or midweek evenings - standing in the cold, or glued to websites and social media to see how their team and rivals have got on.

And sometimes, after those last-minute goals, you do wonder if it would be easier to not bother.

But that's the thing with football. It hooks you in. It refuses to let go. Conceding stoppage-time goals is equalled out by those stoppage-time winners. Or at least the hope of one.

And there's something bizarrely magical about being out in the freezing cold watching a drab draw.

Especially in Non-League. Where you're so close to the action and feel so much a part of it. I think we've seen that this season with some of the attendances across all levels - a combination of people just happy to be out at games again, mixed with an apathy of the higher reaches of the game.

Because, yes, football can be a real pain at times. There are issues at all levels that really grate and things in Non-League that could be better.

But it also provides more drama and moments than any Hollywood script. Hopefully the Wrexham duo saw that for themselves.
