THE GAFFER

Rob Dray

Good afternoon everyone and welcome back to the Cygnet Healthcare Stadium, as we welcome Tom Killick and his Poole Town team to Taunton today.

It was great to get back to winning ways in the league here on Saturday and I have to say we thoroughly deserved the points and if I am being ultra critical it could easily have been more than the 2-1 scoreline, but I was very satisfied with the result against a very good Gosport Borough team who started the day in 2nd place.

We still have some players to come back into the line-up that will improve us as a team as we are currently without the likes of Ollie Chamberlain and Dan Sullivan. So without the experience of players like those I am delighted that we are picking up maximum points from teams at the top of the table.

Enjoy the game today and be the extra man for us.

Up The Peacocks!

THE AWAY END

Poole Town

Beginnings: Poole FC were formed on 20th September 1890 by the merger between two local sides, Poole Rovers and Poole Hornets, who can trace their origins back to 1880, thus the club celebrated their centenary in 1980 with some high profile games against the likes of Manchester Utd, WBA and Manchester City.

6

The Recent Years: 2000 - 2008: The new millennium saw the club continue to stride forward but further silverware remained just beyond their grasp despite becoming a force in every league they played in. Starting in the Hants Premier division the Dolphins finished runners-up in 2000-01, 5th in 2001-02, 4th in 2002-03, and 3rd in 2003-04. Re-alignment of the leagues for the 2004-05 season saw them join the newly formed Wessex Division 2 and gain promotion at seasons end finishing runners-up to Lymington Town FC, the two clubs being 21 points ahead of the rest of the pack. 2006-07 Poole joined the top flight of the Wessex and gained a credible 8th in the much tougher league. For the 2006-07 the division was renamed Wessex Premier and Poole started promisingly again but their challenge for honours faded with a series of poor results over the Christmas period, however they recovered to finished strongly in 4th. In this period there has been some good cup runs too. Poole reached the Trophyman League Cup quarter-finals in both 2002-03 and 2003-04 and the latter year also saw the Dolphins reach the semi-final of the Dorset Senior Cup losing 1-2 to Gillingham. They repeated the feat again in 2006-07 losing the semi-final to Sherborne by the same margin. 2005-06 saw them get to the Dorset Senior Cup final but the gods contrived to deny them success against Hamworthy on the night. Their first year in the Wessex in 2004-05 saw them reach the semi-finals of the League cup against all the odds losing to Thatcham Town over two legs, and the following season they reached the semi's

again, losing out to Andover that year. The club moved to its current home at Tatnam Farm during this period and continual ground improvements saw the erection of a stand and bar and refreshment facilities and great improvements to the club house and area in general. Poole led the way in the league for much of the 2007-08 season slipping up early in the new year to eventually finish 4th once more. They also had a good run in the F.A. Vase reaching the 4th round but again suffered disappointment on their other cup competitions.

7

2008 to date - Sustained Success at last: - That elusive Silverware finally arrived in the 2008/9 season. Poole Town won the Wessex Premier title and were to finish as the second best team of 1,600 Football Association clubs in the whole of England, based on points per match, with the following record: played 42, won 38, drawn 2, lost 2. At the time of securing the title they had been unbeaten in the league and were the top team in the country, but then they inexplicably lost their last two league games! They also won the Dorset Senior Cup (beating Dorchester 2-0 aet), in a thriller at Weymouth's Radipole Lane ground and reached the semi finals of the League Cup. They were, however denied promotion to level 4 due to inadequate ground grading at the Tatnam. They won the Wessex League Title again in 2009-10 by an impressive 18 points and reached the final of the League Cup, but again failed to gain promotion after the plans to build a new ground at Bracksome Rec fell through. The real coup for the 09/10 season was more personnel, Top goalscorer, Charlie Austin made the successful leap from Poole

to Swindon Town in the Football League Division One and is now lining up for Burnley in the Championship, as an established talent. 2010/11 and Poole reached the F.A. Vase semi finals losing out to Whitley Bay. They also won Wessex Premier title for the third successive season once more by a huge 20 point margin and at last gained Promotion back to their spiritual home in the Southern league after a 15 year absence having finally been given permission to make improvements to the ground to take advantage of the offered Promotion. The first season back in 2011-12 saw them make a late charge to secure second place behind Champions Bideford. They beat Hungerford convincingly in the play off Semi's and were minutes away from winning the Final against Gosport. But hopes of a second straight promotion were dashed by two late goals from Steve Claridge to send Gosport up to the Southern Premier.

2012-2013 saw the club win the Southern South & West Division by 14 points in addition they won the Dorset Senior Cup, being 4 - 1 winners over Wimborne Town at The County Ground, Hamworthy and finish up with a treble winning the Southern League Championship Trophy match beating Central Division champions Burnham - 1 - 0 on their own ground.

Thus for 2013/2014 promotion to the now named Calor League Premier Division was achieved. 2013/14 saw a 7th place finish and also disappointment coming so close to a FA Cup 1st Rd spot losing out to Conference South side Staines Town in a replay at Poole. Off the field by the end of March a new clubhouse, dressing room improvements, new covered standing, new seating installed, new boardroom, new office, new tea bar and new toilets were in place.

2014/15 saw the club in the mix for promotion to Conference South throughout the season unfortunately the final results saw them fall short losing a final day match to Corby Town who won the title. Tuesday 31st March the club won the Red Insure Southern League Cup for the first time drawing 0 - 0 with Corby Town at Tatnam, Poole taking the trophy on the away goals rule after their 1 - 1 at draw at Corby on the 18th March, they were also the winners of the Fair Play award for the Premier Division. The newly formed U21 side also won the Dorset U21 Development League and the U18's reached the 1st Rd Proper of the F.A. Youth Cup finally losing out to Torquay Utd. The players from the previous season stayed together and 2015/2016 saw the club go one better and achieve promotion as champions of the Southern

Premier Division winning the title by a margin of 9 points from 2nd place Redditch Utd thus yet another new challenge now awaits in the National League South, the club lost out v Whitehawk in the FA Cup 4th Qualifying Rd down in Brighton. Which means over the last 9 seasons the club has won 5 league titles and been runners-up on 2 occasions. 2016/17 saw a 5th place finish in National League South but no play-off place due to ground grading issues despite major ground improvements once again at Tatnam to stave off threats of demotion. Tatnam was also now re-named the Black Gold Stadium. Poole Town U18's also reached the 2nd Rd Proper of the FA Youth Cup losing out to Leyton Orient at Poole in front of a 300+ crowd. 2017/2018 saw a final day relegation with the club dropping back into the Southern Premier after 2 seasons.

2018/2019 saw the club reach the Southern League - Premier South play off final after securing 5th spot in the table, after winning the semi final away at Taunton Town which went to a dramatic penalty shoot-out AET only to lose out at Metropolitan Police by a 1 - 0 score line. They did secure the Dorset Senior Cup v Wimborne Town winning 5 - 0 at Dorchester Town in April. During the close season more improvements have been made at the ground in regard to the catering arrangements for 2019/2020.

As well all know the 2019/2020 was curtailed by the Covid-19 virus in March 2020 and come September 2020 football but not as we know it is due to start again. The club through a sponsorship deal changed their 1st kit to Black & Gold with the famous Red & white now being used as their change kit. As we all are aware the 2019/20 season was curtailed in March 2020 due to the Covid 19 virus - 2020/21 starts in September 2020 but football not as we know it. The club changed their 1st team strip after many years to Black & Gold which related to a sponsorship deal. 2020/2021 saw the team play just 7 games in the league with the side unbeaten and top of the league the season was once again brought to an early finish.

PITCHING IN SOUTHERN LEAGUE, PREMIER SOUTH - SATURDAY 20th NOVEMBER 2021

VENUE: THE CYGNET HEALTHCARE STADIUM - ATTENDANCE: 522

A much improved performance saw the Peacocks gain their first Southern League win in four games when they claimed the points against high-flying Borough at a murky Cygnet Health Care Stadium. After some substandard displays of late, Town were a far different animal against a Gosport side which were second in the table at the start of play. The hosts gained the advantage with an early second half goal before the visitors' equalised in the final quarter, only for Town to regain the advantage a minute later to secure a victory which lifts them up to 8th in the table.

The opening quarter passed by without major incident with neither side able to stamp their authority on the game. Bedsente Gomis fired high and wide for Borough from a cleared free kick and Brad Tarbuck's shot hit his teammate Dan

Wooden while Gosport keeper Bert White's clearance cannoned off Ross Stearn and could have gone anywhere and several corners were won, but chances remained scarce.

That all changed just past the half hour. Stearn, who had an excellent game in his home debut, won the ball and drove forward, crossing into the middle where Toby Holmes just failed to connect. Gosport didn't deal with the danger, the loose ball falling to Ben Adelsbury whose shot deflected for a corner and from Stearn's delivery loan Richards' header bounced down to hit the underside of the crossbar. A defensive slip from Borough captain Matt Briggs a minute later then saw Jared Lewington through on the right side of the box, but White made a great block with his leg to keep the match scoreless. A trio of corners for the home side culminated in

Lewington just unable to get enough power on his effort from close range to beat White and Jay Foulston fired a free kick over while Gomis sent another strike off target as the half ended level.

The second half was only four minutes old however when the Peacocks made the breakthrough. Adelsbury found Jack Veale wide on the right and after he managed to wriggle past Harvey Rew his cross was diverted into his own net by Briggs. The home side had further opportunities as they looked to cement their lead. After Stearn had been fouled, his free kick from just outside the area was driven through the wall and just about claimed by White as Lewington waited to pounce. A misdirected back pass from Harry Kavanagh caused White an anxious moment and then Stearn angled a shot narrowly wide of the post after Holmes had put him in.

Mason Walsh lifted a shot over the bar for the visitors and Wooden's strike deflected for a corner but there was little menace coming from the Gosport attack with Will Buse hardly having a save to make. After a delay in play for treatment to Wooden who had to be substituted, Gethyn Hill came within a whisker of extending the Peacock's lead, catching White off his line with a lovely chip from the right side, the Borough custodian managing to recover and tip the ball away onto the base of a post.

That piece of bad luck was magnified when Gosport drew level after 76 minutes, Walsh's corner from the right being glanced home into the opposite corner by Matt Paterson at the near post. The Gosport celebrations

though had barely died down before Town regained the lead a minute later. Hill got past his man on the right flank and centred to Stearn who teed up Lewington to lash a fine finish into the bottom corner of White's net.

Borough's cause was not helped when Gomis brought down Veale to earn a second yellow card with ten minutes left. The Town defence stood firm against some late pressure from the visitors, the best opportunity falling to Luke Hallett who flashed a shot just wide of the far post. The Peacocks though saw out five minutes of stoppage time to get themselves back on track with a thoroughly deserved victory and with everyone playing their part.

THE NON-LEAGUE PAPER

C O L U M N

We are still too far away from being able to write 'Wembley is on the horizon' but the roads are opening up a little more each round for the Buildbase FA Trophy and FA Vase. And as we know in cup competitions, anything can happen.

This weekend we have the second round of the FA Trophy, before the National League's top tier enter next.

There are some intriguing ties - Felixstowe & Walton United v AFC Telford leaps off the page, as does Plymouth Parkway welcoming Hampton & Richmond, as well as past winners Canvey Island v Tonbridge Angels.

In the northern section, Marine travel to Bradford PA, while a number of Step 2 clubs are going head-to-head, knocking each other out before they've really got going.

In recent seasons, the FA Trophy has felt wide open. But it still seems remarkable looking back to last year's where Hornchurch lifted the silverware at Wembley after beating Hereford.

It has to rank as one of the most remarkable stories to cover since I've worked at the paper.

Manager Mark Stimson, who knows a thing or two about winning the competition having completed a unique hat-trick with Grays Athletic (twice) and then Stevenage in successive years. It added to his triumph as a Canvey player.

Around these stages of that run, I'd give Stimson a call for a piece in the paper - cards on table, with the full thought that we'd better get them in quick before the run is over.

It's fair to say our conversations became more regular as they knocked off higher

opposition one after the other!

It came the season after Step 2 Concord Rangers and Step 4 Halesowen Town and met in the semi-finals, with Concord going onto play Harrogate Town in the final. Of course, that day, Harrogate became the first team to win the competition while in the EFL. The competition had been delayed because of Covid. Strange times.

It meant their reign as winners lasted barely a couple of weeks with the two finals played so close together.

What made Hornchurch's glory even more unique was the fact the Urchins weren't even playing league football.

With their season shutdown, they were afforded the luxury of being allowed to train under the 'elite sport' covid guidance.

Perhaps the run took on even more significance because of that. Speaking to the players, there was a sense of how grateful they were to still be allowed to meet up and train while the majority of Non-League was in lockdown.

Their second-half performance at Wembley will live long in the memory, as they came from behind to win 3-1.

Speaking to managers and players this season, that success is providing plenty of inspiration. Can they repeat the remarkable achievement?

We look forward to watching it unfold. As for Hornchurch, we know they won't be able to. Their defence already over at the hands of Wingate & Finchley. That's cup football!
