THE GAFFER

Rob Dray

Good afternoon and welcome back to the Cygnet Healthcare Stadium, as we welcome Lee Allinson and his Hendon team to Taunton for today's all important next league fixture as we pursue those teams above us in the league table.

We made it 14 league games unbeaten last Saturday here against Swindon Supermarine with a 2-0 win. Unfortunately the scheduled League Cup semi-final was postponed on Tuesday due to the weather.

Today we will be looking to avenge the 2-0 loss we suffered at Hendon back in October and continue our fantastic run of form and keep building the pressure on the teams above us in the league.

It is such a tightly grouped pack at the top with just 5 points separating the top 4 and with two games in hand we need to focus on each individual game and take them one at a time.

Up The Peacocks!

THE AWAY END

Hendon

Hendon FC are now into their 12th season (including the two curtailed ones) under the ownership of their supporters, following their takeover of the club in the summer of 2010.

Hendon has an illustrious and proud history. The club was formed in 1908, beginning its existence as Christ Church Hampstead. In their inaugural season, the club finished as champions of the Finchley & District League Third Division. There was regular success in the early years, but not before the first of four name changes.

Ahead of the 1909-10 season, the club became Hampstead Town, and immediately won the Finchley & District League Second Division title, and the First Division title followed a year later. Further successes followed as the club gained senior status in 1912 (entering the FA and county cups for the first time) and competing in both the London and Middlesex Leagues. On the back of this, the club was elected into the Athenian League in 1914, one of the best competitions in amateur football, this just six years into the club's existence.

Hampstead Town had played only two matches in 1914-15 (both away draws) when season was abandoned because of the outbreak of war. In their eventual debut season, 1919-20, the club finished a highly creditable fourth. The club finished runners-up in 1929, 1933, 1948, 1949 and 1952, before eventually winning the title in 1953. Further titles followed in 1956 and 1961.

The second renaming of the club came in 1926, when the suffix Town was dropped, and the club was simply called Hampstead. Seven years later the club became Golders Green and the final name change came in 1946 when the club became known as Hendon.

There had been another Hendon club - it reached the quarter-finals of the FA Cup in 1883 - and, in 1932, Hendon and Hampstead met in two friendlies, the second of

which was to raise funds for the former club. Sadly, Hendon - which appeared to add and drop the Town suffix in their dying years - ceased to exist a couple of years later, but their continued existence meant Hampstead had been unable to take the name in 1933. It was as Golders Green that the club made its first appearance in the FA Cup competition proper, losing in the first round to Southend United in 1933-34.

In 1963, after more than half a dozen rejections in the previous 50 years, the club was accepted into the Isthmian League and the Greens were members for 55 seasons, always competing in the top division. Success continued as they finished runners-up in their first season, followed by the first of two league titles a year later. Hendon were again champions in 1973, adding to their runners-up achievements in 1966, 1974 and 2015. Indeed, in their first 11 seasons in the Isthmian League, Hendon never finished lower than sixth. Since then From the mid-1970s, the club has had both good and bad seasons in the League, and in 2006 the club was reprieved from relegation due to another club's financial misfortune.

During the amateur era, the club reached the final of the FA Amateur Cup no less than five times, winning in 1960 (against Kingstonian), 1965 (against Whitley Bay) and 1972 (against Enfield) but losing in 1955 (against Bishop Auckland) and 1966 (against Wealdstone).

The club throughout its history has enjoyed FA Cup success. As well as 21 appearances in the first round (most recently at Aldershot Town in 2012), there have been six appearances in the second round (most recently in 1999-2000 at Blackpool) and one in the third round in January 1974 which saw the Greens draw 1-1 at Newcastle United before losing the replay 4-0 at Watford FC's Vicarage Road.

The club has also enjoyed much glory in county cups, winning the Middlesex Senior Cup no less than 16 times out of 28 final appearances, as well as winning the Middlesex Charity Cup 14 times (two of which, in 1945 and 1988, were at Wembley Stadium). The London Senior Cup has been won on six occasions, with a further 9 appearances in the final.

Hampstead moved into its Claremont Road ground in 1926, the first game being an FA Cup tie against Berkhamsted Town 18 September, which Hendon won 4-3. The final match was played 82 years later, almost to the day, on 20 September 2008, when local rivals Wealdstone won 4-1 (Hendon's last goal at Claremont Road came from Dave Diedhiou, who would make 382 appearances and score 43 goals).

After leaving Claremont Road, Hendon spent four years ground-sharing with

Wembley FC and, from 2013, a three-season arrangement with Harrow Borough FC at Earlsmead. In February 2014, plans moved to return close to the London Borough of Barnet at the old Kingsbury Town FC ground, Silver Jubilee Park (the borough boundary is around 20 metres behind the clubhouse). A FIFA-accredited 3G all-weather pitch was installed and certified in October 2014. Following this, a successful planning application in July 2015 allowed the club – with Edgware Town FC – to redevelop the stadium.

In 2014, Hendon relaunched their youth section, with 15 sides taking the field. This youth policy paid dividends after as a number of players have moved up from the youth team to the senior side and one, Keagan Cole, aged 18, became the youngest ever Hendon player to complete 100 first-team appearances (17 goals). In 2016-17, Hendon added girls teams to boys youth teams.

Hendon's move into Silver Jubilee Park in 2016 was more successful off the pitch than on it and it took until January for a first home League win to be achieved. A last-day draw, completing a run of 22 points from 10 games, saw the club achieve safety from relegation. The 2017-18 season was nearly glorious. Led by the prolific 92-goal attack of Niko Muir (40 goals – first in 19 years), Zak Joseph (18), Ashley Nathaniel-George (17) and Josh Walker (17), Hendon roared to third place in the Bostik League – second top-three finish in four seasons – and reached the playoff final. Sadly, it was not to be as Dulwich Hamlet won a penalty shoot-out.

A new era dawned in summer 2018 as The Football Association announced that Hendon would be playing in the Southern Premier Division South, the Greens' first League change since 1963. An even bigger change came as manager Gary McCann, his coaching staff and every senior player moved on to pastures new (though, one, Luke Tingey, did return at the end of preseason). Hendon made a great start to their new competition and were second in December, but a long losing run saw them narrowly avoid relegation in spring 2019. The Greens made a slow start to the new season and, in November, manager Jimmy Gray departed, being replaced by Biggleswade Town boss Lee Allinson.

Lee, whose father Ian played for Arsenal and now manages St Albans City, was a talented midfielder who started his playing career at Watford and went on to play for Harlow Town, Barton Rovers, Enfield, Stotfold, Borehamwood, Arlesey Town and Biggleswade Town before becoming assistant manager, then manager there. An experienced coach, he – with his wife Faye – has run his own coaching academy in Stevenage since 2012. The pandemic means that 2021-22 will be Lee's third season as Hendon boss, but he entered with just 39 competitive games – but it did include the London Senior Cup triumph over Brentford B in September 2020.

MEET THE OPPO

PITCHING IN SOUTHERN LEAGUE, PREMIER SOUTH - SATURDAY 12th FEBRUARY 2022

VENUE: CYGNET HEALTHCARE STADIUM - ATTENDANCE: 660

The Peacocks promotion charge continued as they ticked off their ninth League win on the bounce and their 14th without defeat. It wasn't the most thrilling of games with chances in short supply overall and with Town not firing on all cylinders against a decent Marine outfit. However, and not for the first time this season, the Peacocks found a route to victory thanks to two second half goals which secured them the League double over their visitors.

Jay Foulston made a welcome return at left back, the only change from the previous week at Merthyr, while loan striker Prince Henry made his home debut, but the Peacocks were slow to settle into the contest against a livelier Marine. A quick break saw Harry Williams feed Ryan Campbell on the left but his ball across goal failed to find anyone before their first corner from Tom Mehew was cleared by

Joe Guest. Town's opening gambit came just past the quarter hour mark when Ross Stearn was brought down 20 yards out, but Lloyd James curled the free kick over the top.

Will Buse caught a Henry Spalding corner which prompted a few feeble claims that the ball had carried over the line, however this aside Supermarine appeared the more fluent going forward, with the movement of Conor McDonagh keeping the Town defence on their toes. After seeing a shot deflect for a corner, his neat back heel then set up Williams, but he stumbled as he shot, and the ball travelled wide before another neat bout of play saw Campbell feed McDonagh whose strike from the left side of the box was held by Buse.

In response Town had a penalty appeal waved away after Stearn went down

In response Town had a penalty appeal waved away after Stearn went down before Marine keeper Martin Horsell was called into action, parrying Joe Budd's shot from the edge of the area with Foulston drilling the loose ball wide of the target. Stearn then played in Henry who seemed to be fouled but nothing given while Jake Wannell tried his luck from distance, his left-footer whistling just the wrong side of the post.

Jared Lewington replaced Henry for the second half and his introduction led to the breakthrough after 50 minutes. Lewington's looping header from Budd's cross was palmed over by Horsell and Marine failed to clear the resulting Foulston corner, which was hooked back in by Guest, Nick Grimes nodded on to Ben Adelsbury whose header was kept out by the arm of Williams. When all the Marine protests had died down, Williams departed after being red-carded and Stearn kept his cool to send Horsell the wrong way from the penalty spot.

Grimes fired a dipping shot over the bar before Supermarine conjured up one of their few offerings of the second half, Mehew venturing infield for a ground shot which was bread and butter for Buse to hold. The visitors forward spark had diminished while the Peacocks cohesion had markedly improved, and they maybe should have doubled their lead when Stearn ran through the middle and laid off to Zac Smith on the right, but he got too much on the shot which was blasted over.

Town continued to press for a second potentially decisive goal, Smith seeing more

of the ball down the right flank and when his cross was blocked, he had another chance to deliver, his lofted chip towards the back post being clutched by Horsell. The goal when it arrived though came from the other flank and what a peach it was. Dan Sullivan, who had only replaced Budd five minutes earlier, found Foulston out wide and he nonchalantly drifted in from the left past a couple of opponents before smashing a strike across Horsell into the top corner of the net. Pick that one out!

A purposeful run from Smith nearly produced a third soon after but Lewington was unable to connect with his ball into the middle. Supermarine made a few forward excursions in the final stages but really only had one effort, McDonagh firing over the top, as the Peacocks' rearguard remained solid. Mission accomplished for Town who strengthen their 4th place position on the back of results elsewhere but they now focus on the Cup when they travel to meet the same opposition in the League Cup Semi-Final in three days' time.

THE NON-LEAGUE PAPER

C O L U M N

The NLP's Fan's Forum letters page gets all sorts of weird, wonderful – and sometimes unprintable – contributions from readers.

From debates about the Non-League Pyramid structure, printed programmes, officials, friendly clubs or nostalgic trips down memory lane, we get the full spectrum of letters and emails.

Often a reader will spark a great debate. This week, Ray Ellis from Tonbridge is that man with a question that has had our inbox flooded.

Tonbridge Angels' Sonny Miles recently claimed the club's record number of appearances with 377. Who, Ray asks, is the record holder at one club across the whole of Non-League?

Well, it certainly resonated.

A reader from Grays flagged 673 games played by Phil Sammons and there was a shout for Gerry Keegan of South Liverpool, who played 544 times for the famous club.

Gloucester City fans have been on touch on their legendary midfielder Tom Webb, who made 718 appearances for the Tigers before retiring age 34.

Regular contributor to our letters page, Marine superfan Barry Lenton, suggests Peter Smith with 957, while we also had shouts from Bognor Regis Town and Hampton & Richmond Borough.

The nature of Non-League football means it

may be hard to come up with a definitive answer.

Earlier in the season, we spoke to Terry Buss at Hanworth Villa as the one-club man celebrated 800 official appearances for the Step 5 outfit – although he wondered if it was even more than that.

The 35-year-old keeper made his debut when he was 16 – illustrating just how long it takes to rack up these numbers – and he was eyeing 1,000.

"I'll go as long as my body lets me, it's starting to ache now!" he told The NLP. "Now that the 800 is up, the magic 1,000 is in sight. It would be another three or four years without missing a game but I've not missed many over the last 19 years so, fingers crossed, I can have a good go.

"My son, Jimmy, is 12, I'm hoping when he gets to 16 he's good enough to come in and take over from me!"
