THE GAFFER

Rob Dray

Good evening everyone and welcome back to the Cygnet Healthcare Stadium, as we welcome Paul Michael and his Yate Town team to Taunton for tonight's all important next league fixture as we pursue those teams above us in the league table.

We know we are in for a very tough game tonight against a good Yate Town team who are in good form away from home having lost just two of their last eight games on the road.

All good things must come to an end and that was true of our long unbeaten run of matches dating back to mid-November with the loss on Saturday to Harrow Borough. We need to dust ourselves down and get straight back to work on another lengthy stretch of games unbeaten if we hold aspirations of gaining promotion this season.

You fans have been brilliant all season long and we need you more than ever for these vital last weeks of the season.

Up The Peacocks!

THE AWAY END

Yate Town

Yate Town's earliest history began in 1906 when the club was known as Yate Rovers. Playing representative football either side of the First World War the team eventually disbanded in the early thirties. In the 1933/34 season Yate Y.M.C.A. was formed entering the Bristol and District Division 5 under the captaincy of Arthur Gould with goalkeeper Frank Boulton, one of four brothers in the team, eventually playing for Arsenal. After the Second World War Yate YMCA competed in the Bristol and District League and the Avon Premier Combination and later were amongst the founding clubs of the Gloucester County League. In 1959 the YMCA was dropped in favour of Town.

In 1983 the club gained membership of the Hellenic League and with it moved onto the first step of the National League System. The 1984/85 saw promotion to the Premier Division finishing runners-up to Pegasus Juniors. The following season again proved successful winning the Hellenic Premier League and finishing the campaign unbeaten at home. With progress up the NLS pyramid came the need to improve the playing facilities and in 1984 Yate Town relocated to Lodge Road having previously played at Yate Aerodrome (1954-1960) and Sunnyside Lane (1960-84). Ground improvements were progressive with the first section of covered accommodation erected in 1987 and floodlighting in 1988.

For the 1993/94 season Yate found themselves in the Midland Division for the third time and suffered a disappointing run of results finishing just off the bottom narrowly avoiding relegation and also moving back to the Southern Division after a re-structuring of the league. More change followed in 1994/95 season after a poor start long serving manager Pete Jackson handed over to former Bristol Rovers favourites Ian Alexander assisted by Phil Purnell. A credible sixteenth finish in the table followed plus runners up in the Senior County Cup, with a top half finish the

following season.

The club celebrated its Golden Jubilee in 1996/97 and in the following closed season appointed John Freeguard as Manager to lead the club into the 1997/98 campaign. This was short lived and with just two victories from seventeen games he resigned and was replaced by Martin Durnell, who had managed the successful Youth Team. He was assisted by Club Captain Danny Iddles. Despite these changes the Club still finished in the drop zone but once again managed to avoid relegation due to a restructuring of the Southern League. The reprieve was some comfort and with a youthful side the 1998/99 saw the club finish 20th in the Southern League.

The 1999/2000 season saw Yate Town return to the Midland Division for the first time for six seasons due to the regionalisation of the Midland and Southern Division into Western and Eastern Divisions. Unfortunately relegation could not be avoided this time and the club slipped into the Hellenic League. Manager Martin Durnell resigned and was replaced by former players Gary Hewlett and Richard Thompson (the current Director of Football) who became Joint Player Managers. After a poor start to the 2000/2001 season Yate Town enjoyed a long run of victories that saw them finish in third place in the league.

The following two seasons saw Yate finish third and then second. The champions North Leigh declined promotion and Yate were offered the promotion opportunity and returned to the Southern League. Although the early return to a tougher division proved a challenge the 2003-04 season was eventually turned around and a credible sixteenth position secured the club's standing in the league for the following season.

Yate enjoyed their most successful season in 2004/05. They finished Runners-up in Division One West, and secured promotion to the Southern League Premier Division for the first time. Additionally, they won the Senior Challenge Cup for the first time in their history, beating Bristol Rovers 2:0 in the final at the Memorial Stadium following victories over Bristol City and Forest Green Rovers on route.

Yate Town exceeded all expectations in the 2005/2006 season, their first in the Premier Division. Despite another poor start, they finished in sixth position, and also retained the Senior Challenge Cup beating Cheltenham Town in the Final. An injury plague campaign through 2006/2007 resulted in poor results towards the end of the season finishing mid-table and similarly in tenth position at the end of the 2007/2008 season.

2008/2009 saw just two wins in twenty League matches and into the relegation zone. Richard Thompson left in February 2009 followed by his assistant Lee Barlass. Dave Mogg who had previously been an assistant at Taunton Town and Weston Super Mare was appointed as Manager but change was too late and the club was relegated to the South & West Division.

It was a much changed and inexperienced squad that ran out for the 2009-10 season but managed to finish mid table. Experienced players were added to the squad for the 2010/11 but did not deliver the expected improvement and after two years with the club David Mogg was replaced by Rob Cousins, initially in a caretaker role but after an immediate upturn in results the appointment was made permanent. Although Yate only managed a mid-table in the league the club did secure victory in the final of the Senior Challenge Cup beating Cheltenham Town Reserves 3-2, having beaten Bristol City Reserves in the Semi-Final. In the 2011-2012 season was also disappointing finishing in the bottom half of the table although decent runs in the F.A. Cup and F.A. Trophy provided some comfort.

The 2013-14 season was one of the most memorable of the club's recent history with a superb run in the FA Cup eventually getting into the First Round proper. On the journey Yate managed victories over Poole Town, Winchester City, Oxford City and North Leigh before securing a home tie against Newport County of the Conference League in the Final Qualifying Round. At home a 3-1 lead was cancelled out at the death with two late goals by Newport. The replay, against a team who would eventually gain promotion to the Football League, presented a huge challenge but Yate fought back from a goal down to equalise before taking the game into extra time, scoring twice and running out 1-3 victors. The first round draw pitted Yate away to neighbouring Cheltenham Town. This proved too much of a challenge and the Football League club ran out 3-0 winners. The success in the cup improved the league performances and Yate enjoyed a run of good results finishing just outside the play off positions.

Due to the FA cup success many of the strongest players had attracted the attention of more senior clubs and the 2013/2014 season saw a new look squad and following an inconsistent start, a series of good results saw the club briefly threaten to make the play-offs before sliding to a disappointing but credible ninth position. The previous season's FA Cup success could not be repeated but Yate did manage to reach the third round qualifying before losing to Gloucester City in a replay.

The 2014/15 season started inconsistently and in March 2015 Rob Cousins and Michael Meaker were replaced by Craig Laird with Rob Boyd as his assistant. Several experienced and high profile signings were brought in for the 2015/16 season but the anticipated success did not follow and a poor end to the season saw another change in management. Paul Britton, assisted by John Lester were installed in preparation for the 2016-17 campaign. Once again Yate looked to youth to rebuild and by the end of that season a new look team was in place. The following season saw some more experienced players join the club and Yate finished mid-table. Momentum under Britton continued with much of the 2018-19 season spent leading the division. Although a disappointing end to the season resulted in a third place finish the team re-grouped for the play-offs with home victories over Moneyfields in the play-off semi final and Cinderford Town in the Final in front of a crowd of over 1,000. The result took Yate into the Premier Division for the first time since 2009.

Yate began the 2019-20 season with many of the previous season's squad still in place. Despite some very notable home victories Yate struggled to put together back to back victories and the threat of relegation was very real. With very little separating the teams at the foot of the table a number of strong performances started to lift Yate clear before the early end to the season due to COVID. Having achieved promotion with Yate and kept the club in the Premier division Paul Britton and his management team decided to leave the club with Richard Thompson coming in as Director of Football to appoint Paul's successor to take the club forward into the 2020-21 campaign.

Late in the summer of 2020 Paul Michael was appointed Manager for the somewhat short 2020-21 season. It is fair to say he had very little time to establish a squad compounded by the uncertainty around the new season ahead caused by the COVID pandemic. Despite these challenges a relatively strong squad was assembled but the much needed game time was not available and there were far more important things than football to dominate 2020. When the season came to its inevitable early cessation Yate Town were sitting fourth from bottom of the Southern Premier league having only played eight games with two draws and a win against Dorchester Town providing all the points. Of those matches played four had been against clubs at the top of the table and therefore it had been a tough start to the season for Paul and his newly formed squad of players.

VENUE: EARLSMEAD STADIUM - ATTENDANCE: 311

It is said all good things come to an end and so it proved as the Peacocks dipped to a disappointing defeat in North London to finally end their terrific run of 18 unbeaten games. All had seen set fair at half time with Town seemingly in control and holding a 2-0 lead, but the confidence gleaned from winning 12 matches on the spin bizarrely went missing in the second half as Borough overturned the deficit to gain some compensation for their heavy defeat at the Cygnet Health Care Stadium before Christmas.

There was only one change from the previous League outing against Harrow's neighbours Hendon, with Toby Holmes replacing Jared Lewington up front but it was Borough that started on the front foot. George Moore's ball over the top found James Ewington who slid the ball across goal, Antonio Dembele retrieving to cross to

Lewis Cole who turned to balloon over the top. Will Buse then had to be quick off his line to prevent Moore from capitalising on another pass before Dembele played a 1-2 with Moore to post a strike which Buse held as Town withstood some early pressure.

The Peacocks though began to get a foothold in the game, Holmes' cross from the right being cut out by Harrow keeper Josh Strizovic as Ross Stearn waited to pounce and then Dan Sullivan's cut back being met by Joe Guest who drilled narrowly over the bar. Jake Wannell headed wide from Town's first corner before a clear opportunity came and went on the quarter hour when Sullivan raced clear onto a loose ball but delayed pulling the trigger and James Mansfield was able to make a block for another corner. Zac Smith's lob forward then teed up Sullivan, but he wasn't able to connect.

The impetus fully turned in Town's favour when they broke the stalemate after 24 minutes, Sullivan's chip into the box coming off a defender to Holmes who took a step inside to fire past Strizovic who could only help the ball into the net, the team running to celebrate with the travelling support. Buse then safely held a header from Leo Donnellan before the visitors added their second goal on 31 minutes. Stearn was brought down on the corner of the box and Lloyd James' ensuing free kick was curled into the middle for Wannell to glance home from close range. Town then nearly added a rapid third when Sullivan's cross from the right was cleared as far as Jay Foulston who volleyed just wide. Guest needed treatment after a challenge from Donnellan which only resulted in a free kick as the opening half ended satisfactorily for Town.

However there was nothing satisfactory about what was to follow as Town contrived to lose the initiative in a second half of minimal chances, with Borough keeper Strizovic virtually a spectator. David Amate's cross looped just over before Borough got themselves back in the game after 51 minutes when Donnellan wriggled to the byeline on the right and his cross took a deflection to find the net off the far post. A scrappy goal to concede but at that stage a blip. Crucially though Town could conjure up little cohesion going forward after the break which they needed to counteract a home side who were gaining in confidence sensing they could get something out of the contest.

Lewington replaced Holmes with twenty to

go and might have restored the two goal advantage soon after his introduction, Foulston beating his man, but Lewington swiped at the cross without connecting. Buse punched clear a Donnellan cross before Harrow drew level with 15 minutes to go, Shaun Preddie latching onto a ball down the right and squaring for Ewington to rifle home off the inside of a post. Town meanwhile continued to be frustrated by offside decisions and loose passes as they tried to respond. A James cross found Lewington, but he was unable to get a shot away, however the game had swung in the home side's favour, and they capped off their comeback with the winner eight minutes from time. Donnellan's corner from the left was punched clear by Buse but only as far as Ewington on the far post and his firm header found the target despite Wannell's attempt to head clear.

Town did mount a late offensive of sorts and missed a chance to grab a point in stoppage time when James' ball into the box was nodded down by Wannell, but Lewington sliced his volley wide from a good position. The final whistle blew immediately afterwards to conclude a miserable 45 minutes for the Peacocks although credit to Harrow for turning the tables. Had Town maintained their recent defensive form of conceding just four goals in seven games then no doubt the result would have been different, but the squad now start afresh as they enter the final two months of what can still very much be a historic season.

THE NON-LEAGUE PAPER

C O L U M N

Storms Dudley, Eunice and Franklin may have proved profitable for, say, fencers or roofers but certainly not for cash-strapped Non-League football clubs.

Five full days of heavy rain, high winds and even snow left Britain battered and bruised last week with a trial of destruction in its wake.

Naturally, the fixture list was decimated up and down the country, while some clubs were left counting the cost of extensive damage caused to grounds and clubhouses.

Perhaps the hardest hit, once again, were Tadcaster Albion. For the fourth time in seven years, the adjacent River Wharfe burst its banks with such ferocity that it took down most of the steel barrier on the far side of the Brewers' Ings Lane ground, opening the floodgates for around 1.5 metres of water.

This comes as a huge kick in the teeth for the North Yorkshire club who have played an integral part in the town's Tadcaster Flood Alleviation Scheme which was formed following the devastation of the floods in 2015.

The clubhouse at Ings Lane was raised to prevent a repeat and that seemed to do the trick when floods struck again in 2020 and 2021. Not this time though with water ingress expected through the floorboards.

As a result, Taddy are now back in limbo with the Environment Agency yet to sanction vital repair works before their next home game against Stocksbridge Park Steels on March 5.

Another club who suffered a repeat deluge were Barton Rovers, who were hit by the effects of a major storm for the second time in five years.

In February 2017, the Southern League Division One Central side's Sharpenhoe Road home was battered by Storm Doris which sent a floodlight pylon crashing through the main stand, leaving Barton with a £9,000 repair bill.

Last Friday, Storm Eunice blew the stand down again along with the club's TV tower. It is estimated that repairs this time round could cost the club around £20,000.

Basford United's Greenwich Avenue stadium suffered extensive wind damage last Friday, leaving them with an estimated repair bill of £10,000.

Stands and turnstiles were damaged, with one roof destroyed, while exterior fences came down and gas, electricity and water supplies were disrupted.
