THE GAFFER

Rob Dray

Good evening everyone and welcome back to the Cygnet Healthcare Stadium, as we welcome Steve Castle and his Royston Town team to Taunton for tonight's League Cup Final, 1st leg.

Winning trophies is what we are all in this business for, so tonight we hope to take one step further forward in achieving our goal of some silverware this season, but we know Royston are coming here with that exact same mindset and would love to go back to Hertfordshire for the 2nd leg in a week's time all square or with an advantage. We will need to be switched on from the start and for the entire 180 minutes of this two-legged final.

It is a very packed schedule for the remainder of the season and we will need our fantastic supporters to be behind us every step of the way if we are to achieve our ultimate goal of winning this trophy and also gaining promotion in the league.

Enjoy tonight's game and as always....UP THE PEACOCKS!

THE AWAY END

Royston Town

So when did it all begin? After some intensive research the evidence is that the club came into existence in 1875 making Royston the third oldest Club in Hertfordshire after Hitchin and Bishop Stortford.

The Club's very first honour came in 1911/12 when they won the Creake Charity Shield beating Wisbech 1-0 in extra time.

The Club's first major honour in more recent times came in the guise of promotion to the Herts County Premier League in 1969/70 and they went on to be champions in 1972/73 and 1976/77. In 1978 we rejoined the South Midlands League and won the Division One title at the first time of asking. Success continued with a final appearance in the Herts Charity Shield for the first time in 1979 and runners up spot in the South Midlands League Premier Division in 1980. The Herts Charity Shield was won in 1981/82 and two years later the Club joined the Isthmian League Division Two North where we remained for 10 seasons before returning to the South Midlands League in 1994.

After a period in the doldrums which culminated in relegation from the South Midlands League Premier Division at the end of 2006/07, Paul Attfield was appointed manager with ex Spurs favourite Tony Galvin returning to Garden Walk as 1st Team Coach in November 2007.

Paul immediately set about building a new 1st Team squad and a run of 17 games undefeated saw the Club move from bottom of the table to finish in 5th place in the League.

The foundations had been laid for the 2008/09 season and the first team took the

South Midlands Division One League title with one of the best set of stats for any Step 6 Club in the country W33, D4, L3, GF138, GA30, GD+108, PTS 103.

The 2011/2012 season will be seen as a watershed in our history with the winning of the South Midlands Premier Division title and promotion to Step 4 in the shape of the Evo-Stik Southern League Division One Central.

In our first season back at Step 4 after an absence of 19 years it was hard to know what to expect and how we would perform. Most of our supporters felt a mid-table position would be an acceptable target for the season, but we quickly found ourselves exceeding all expectations as our performances propelled us towards the top of the table. Four straight wins in the first four games set the tone and a run of nine wins with just one defeat between October and December saw us maintain a play-off position. In the very last game of the season a play-off was still a possibility and having gone 2-1 up away at AFC Hayes with just a few minutes of the game left it looked a near certainty. But it was not to be as Hayes scored an 87 minute equaliser and our play-off place was lost.

In our second season at this level our steady progress to claim a place in the play-off zone was given a severe jolt when, at the beginning of November, Paul Attfield announced his resignation as first team manager due to ill health. The search for his replacement began almost immediately and we were inundated with applications from some very well know and successful managers. After an exhaustive selection process the Board appointed Steve Castle at the end of November and on Boxing Day Steve officially took over securing a 0 - 0 draw against the League's form team and eventual champions Dunstable Town.

Our 2014/15 season opener was at home against one of the promotion favourites Rugby Town but an impressive team display ensured their threat was stifled and we ran out winners 2 -1. That victory really did set things buzzing but we were quickly brought back down to earth when on the following Tuesday night Bedworth United were the visitors winning the game 3 - 1.

As we all know consistency in performances provides the key to long term success and although the early stages of the season produced good results against the likes of Daventry Town and Beaconsfield these were punctuated by dismal performances against the likes of Aylesbury and Egham Town. From mid-November to mid-December we really lost our way with six defeats in seven games but our rollercoaster ride saw an incredible run of form over the Christmas

period and into the New Year with five straight wins which helped us maintain a position in the play off places.

On a miserable Tuesday evening in February we travelled to lowly AFC Hayes and after an abject performance we lost the game 2 - 0. This prompted our Chairman to tell Steve Castle that he had given up on this team making the play-offs and said that we should start preparing instead for next season. That message was conveyed to players and we witnessed a most remarkable transformation in our results with a 14 game unbeaten run during which we scored 29 goals and conceded just seven resulting in us achieving the runners up spot to league champions Kettering Town and securing our place in the play-off semi finals where we met local rivals Barton Rovers. After an incident packed 90 minutes and extra time the game ended in a goalless draw but it was not to be our night and we lost the shoot out 4-5 and had to suffer the agony of all the emotions which go with being defeated in this way.

We started the 2015/16 season strongly and between the end of December and the end of March we produced a rich vein of form with only one defeat in 14 games and this ensured we were sitting on top of the league with just 7 games to go and with the expectation that we could win promotion outright ran high throughout the whole club. However three games in succession proved our down fall when we could only draw 0 - 0 with Bedford and lost to Egham away 3- 1 and Godalming at home 1- 0 and once again we ended up in the play offs against AFC Rushden but we failed to turn up and went out tamely to our opponents 2 - 1.

Having finished runners up for two years in succession Steve Castle was determined to make it third time lucky and began to recruit some experienced new blood in the shape of John Frendo and Adam Murray whilst at the same time giving youngsters Gus Scott Morris and Josh C extended runs in the first team.

However the season didn't start well and after four games we'd only mustered five points whilst promotion rivals Farnborough just couldn't stop winning. Although results did improve, defeat in the FA Cup to Heybridge Swifts 4 - 1 and a thrashing by Barton Rovers at home 6 - 3 at the end of September didn't do a great of good for our confidence.

Things took a dramatic turn thereafter with 12 successive league wins which ended with defeat 2-1 at Kidlington in early January 2017, interspersed by a magnificent run in the FA Trophy including victory against Step 2 outfit Hampton

and Richmond Borough before in the replay against Dulwich Hamlet we eventually went down 1 - 0.

With cup football out of the way the team put together an incredible run of 16 league games undefeated, including a 5 - 0 thrashing of closest rivals Farnborough which saw us maintain the top spot until the end of the season by a margin of 12 points and the highest number of goals scored, 120, across all three Evostik Leagues.

Promotion to the Southern League Premier Division Central at the end of season 2016/17 meant that the Club was playing at its highest level in its 142 year history!

Season 2017/18 saw The Crows exceeded all expectations in our first season at Step 3. Throughout the season we managed to maintain our hopes of a play-off place until they were finally put to bed with two successive defeats against the eventually play-off winners Slough Town and we had to be satisfied with a seventh place finish. The signing of Adam Marriott, a proven goal scorer who had played for Lincoln City, Stevenage and Cambridge United was without a doubt a real coup and he was to play a key role in the progress made by the Club by becoming our leading marksman with 31 goals. A good run in the FA Trophy with wins against Enfield Town and Leatherhead came to an end against Eastbourne Borough when having managed to draw at their place we lost the replay on penalties. We managed to get to the final of the Herts Senior Cup where we played Boreham Wood from Step 2 and in spite of a brave performance we never really had the power to compete and lost 2 - 1.

Season 2018/19 saw us finishing in a respectable 9th position in what proved to be a very strong Premier Division Central. During February/March we recorded six wins out of seven league games to give us a faint hope of a play-off spot, but three straight defeats in April put paid to our chances. We suffered another early at AFC Sudbury in the FA Cup and in the FA Trophy we progressed through two rounds before being beaten in a replay at Needham Market.

During the 'Null & Void' seasons of 2019/20 and 2020/21 the Crows were always strongly placed in the league table, but to no avail sadly. In season 2019/20 we recorded our best ever finish in the FA Trophy (which ran through to completion), overcoming four higher-league opponents to reach the quarter-finals where we were defeated at Concord Rangers.

PITCHING IN SOUTHERN LEAGUE, PREMIER SOUTH - SATURDAY 19th MARCH 2022

VENUE: THE CYGNET HEALTHCARE STADIUM - ATTENDANCE: 753

Head of Football Rob Dray named an unchanged starting line-up from the previous weekend against then leaders Hayes & Yeading when his side had been unlucky not to win but it proved a different affair on a sunny afternoon at the Cygnet Health Care Stadium. The tone was set straight from the kick-off when Jay Foulston's pass was intercepted, freeing Conrad Lucan to run on and launch a shot just over the bar. Town then won their first corner from which Chesham broke, Zak Joseph releasing Francis Jno-Baptiste, but Will Buse was out quickly to gather. Buse was forced to turn Lewis Rolfe's strike wide at his near post as the visitors continued their good start and from the resultant corner Lucan volleyed over while a poor pass gave Jno-Baptiste a shooting opportunity which was held by Buse.

Despite their promising start, the visitors

found themselves trailing after 17 minutes with Town scoring from their first attempt on goal. Ross Stearn was fouled on the left and from Lloyd James' free kick Ben Adelsbury's header hit the turf and bounced over the dive of Generals' keeper Sam, Beasant, son of former Wimbledon shotstopper Dave. The lead was short-lived though as Chesham drew level within the minute, breaking from the resumption for Joseph to feed Rolfe on the left and from his cross Bradley Clayton swept his finish inside Buse's right-hand post.

A timely intervention by a Chesham defender then blocked off a Stearn effort after Joe Guest had chested down Joe Budd's delivery while Beasant watched Zac Smith's header from the left bounce into the side netting, but it was the visitors who were looking the more cohesive side going forward despite having to make two

substitutions during the first half. Clayton curled a free kick narrowly over the bar and Buse easily held a low shot from Alison Ferreira De Paiva as the Generals ended the opening period on top.

Any notions that the windy conditions might have favoured Chesham in the first half and Town would prosper more after the break were soon dispelled. An early Foulston corner was cleared as far as Budd whose strike was saved by Beasant, but it was Chesham again who began better as they buzzed around the Taunton box, Clayton's neatly improvised half volley just clearing the bar and landing on the roof of the net. The best run of the game from a Town man then led to the controversial goal which regained the lead for the hosts on 64 minutes, Smith producing a superb burst in from the left before he was felled just outside the box. Stearn hit the free kick well, but Beasant was equal to it as he palmed the ball away for a corner which Foulston sent deep and when it was recycled back in by Smith from the left, Nick Grimes' looping header was blocked as it looked to be sneaking in. Adelsbury's follow-up header was directed towards the corner and despite Ferreira De Paiva's attempt to keep it out and the protests from the Chesham team, the officials ruled it had crossed the line.

New signing Harry Warwick immediately replaced Toby Holmes, however Chesham, fuelled by their perceived injustice, renewed their pressure on the Peacocks' goal. Rolfe picked out Lucan in space in the middle and Buse did well to turn aside his shot for a

corner which Town struggled to clear, the danger ending when Clayton planted his header wide of the target from Ronny Mfinda's cross. The Peacocks came close to adding daylight to their lead, Stearn putting Warwick in the clear, but Beasant did well to touch the low effort past the post.

Chesham upped the ante further as the game entered the final stages, introducing long throws from Jordan Gibbons into their artillery. Clayton miskicked from a decent position and then a Gibbons' throw was flicked on, Buse managing to clutch Jno-Baptiste's header as Town dug in defensively. Adelsbury had another header safely collected by Beasant as the game entered stoppage time, with Chesham keeping up the pressure. Mark Kirby couldn't get enough power on his header to trouble Buse and nerves jangled a bit more as added time was extended following treatment for Grimes. 98 minutes had elapsed when Town made sure. Beasant ventured upfield for a last ditch corner and when Guest headed clear, Warwick was onto the ball, showing great pace and skill to beat one man and find Stearn in the centre who calmly sidestepped Joshua Bohui to fire into the open net.

Not a great performance but a great result against a strong side and one of their rivals for honours. Hopefully, the winning mentality will endure for the remaining seven massive games.

THE NON-LEAGUE PAPER

C O L U M N

We had a bit of a novelty for last Sunday's NLP – for the first time since 2019, we were able to feature a team from outside of the National League celebrating a title.

For those who missed it, Macclesfield FC – formed from the ashes of Macclesfield Town – have won the North West Counties League Premier Division title at the first time of asking and booked their place at Step 4 next season.

Over the coming weeks there will be plenty more promotion celebrations across the country and, of course, some less exuberant scenes that follow relegation.

Promotion and relegation is vital to the flow of the National League System and it's so good to have it back again. There were times this season where we perhaps feared we could be heading for a third disrupted campaign. But thankfully that hasn't materialised and we're now on the home straight.

Last summer there was some movement in the NLS with the elevation of clubs to help reshape the Pyramid – everyone will be glad to see it happen on the pitch this season.

It's been two years since the final round of games of 2019-20 before the country went into lockdown and the season was halted. Flicking back through that edition of The NLP, there is a strong sense everyone knew what was coming – albeit perhaps not to the extent it turned out to be. But among

the worry and fears of Covid, there were still the words and pictures of teams striving to get over the line. All in vain. That won't be the case this time.

So Macc are up and there will be more soon. Banbury United and Bracknell Town to name two are inching closer to the finish line, as are Worthing in the Isthmian Premier.

Other promotion races look set to go down to the wire with a chunk of points still to play for deciding who will be crowned champions and who will reach the play-offs.

At the other end of the tables there is going to be some real intrigue with the Inter-Step play-offs that will see runners-up at Step 5 get a shot at promotion in one-off games against Step 4 strugglers.

It's a new element to add to the season and we'll all watch with interest as to how it pans out and how fans take to the format.

The last two years has seen a Non-League emerge from the pandemic with real credit. Crowds are booming at all levels, many people seem to have been awakened to this level of the game and the appetite for local football growing.

Non-League Day on Saturday, March 26 will be the perfect celebration of everything we love about Non-League football.

And it will also be another crucial weekend in the ebb and flow of a football season. It's great to have it all to look forward to again.
